HANDBOOK AND DIRECTORY COMING SOON!

The CDC Handbook and Directory will be coming soon. Please read the handbook carefully and review our new illness policy for the changes that were approved by the WCM Board this month. We know that H1N1 is on everyone's mind. We are taking steps to prevent the spread of illness at the school and we will need your help to ensure a healthy and safe year!

PUMPKIN PATCH IS BACK

Back by popular demand, Haygood's Hallowed Pumpkin Patch begins September 27th. Sign up to help out...or be Haunted!

INDIVIDUAL CLASS PICTURES BY ANNE CARR

Anne Carr, whose studio is located in the King Plow Arts Center, has come to Haygood to photograph the children for over 10 years. In October, she will take individual photographs of the children. Weather permitting the pictures will be taken outside. She will return in the Spring to take class pictures. Order forms will go out in October.

FINANCIAL NOTE

To change or update your receipt information or for any tuition questions, please call or email Beth McCormack at 404-872-5806 x. 230 or bmccormack@haygoodwcm.org.

HAYGOOD GREEN TEAM

Haygood has gone green! We have recycling containers throughout Haygood, a paper recycling dumpster in the parking lot and will be teaching the children about recycling throughout the year. This year we are focusing on putting party packages together for each classroom so we can remove the need for paper products at our parties this year.

AROUND HAYGOOD U.M.C.

Haygood Memorial UMC welcomes you to this new school year! The church has many wonderful activities and opportunities for you and your children. If you would like to receive our weekly and monthly e-mail newsletters, please email the church directly at rsommerville@haygoodumc.org and request to be added to the Haygood UMC email list.

Jennifer Dalzell (Kindergarten) and her family as they mourn the loss of Jennifer's father.

Nancy King (WCM Board member), and family for strength and support for her mother, who is in hospice care during the final stages of cancer.

Patrick Chance and Family (former Preschool) as Patrick continues to "press on" in his battle with neuroblastoma.

In Closing Theresa Says... WELCOME to a new school year!

As a child, I always loved the beginning of a new school year. Going out and buying new school supplies, new school clothes, having new teachers, meeting new classmates, the promise of a fresh start. I still get excited when we make our first Target/Staples/Office Depot runs and there is a plethora of fun, colorful, fresh school supplies on every shelf. I love to sharpen all of the pencils in the package and then line them back up in the box with perfectly shaped points. A feast for the eyes!

The start of a new school year is a busy time, both at home and here at Haygood. We have been getting the facility ready for the start of a new school year. Floors are stripped and waxed, walls are painted, and the new class roster is posted on the wall. Our CDC day begins to settle back into a familiar rhythm and the Preschool teachers come back to re-order their classrooms after weeks of summer camp use. As we begin the academic year I want you to know how happy we are that you are here. You and your children are an important part of this big, wonderful Haygood family. What a blessing you all are!
