

Completed applications will be processed on a first-come, first-served basis. Space in the program is limited, so we recommend submitting your application early.

Please review the following *before* applying to become a Haygood Camp Counselor:

1. Applicants are required to attend a summer camp staff training session to receive camp policies/procedures and expectations. This is mandatory training for all potential camp counselors. No exceptions. Meeting time TBD.
2. Camps are structured with the camper's happiness and, most importantly, their safety in mind. To ensure the camp's quality, we ask that only those who are genuinely interested in working with children and can fulfill the commitment as outlined apply to be a counselor. Employment can be discontinued at any time if it is in the best interest of the program/counselor to do so.
